REV. R. L. BRADBY, Jr.

Guest Speaker

Robert Bradby Jr. was born in Detroit, Michigan February 12th, 1913 and educated in the public schools. He graduated from the Detroit Institute of Technology in 1931, and attended the Detroit College of Law for 3 years before going into the Ministry.

He received his degree from the Great Lakes College, Department off Divinity.

He is a member of the Elks, Phi Kappa Gamma and Kappa Alpha Fraternities, also Secretary of the Wright Mutual Insurance Company.

For the past 3 years he has been the pastor of the Greater King Solomon Baptist Church. During that time the membership has increased from less than one hundred to five hundred members, and over \$34,000 has been raised. The church has been freed of debt, and many improvements made.

Welcome Friends

114 years ago to-day, Her Royal Highness, Queen Victoria, in Buckingham Palace, England, affixed Her name to a decree, officially outlawing slavery in all British Possessions. Since that time the Negro Race has not only come to enjoy freedom and equality in every country in the world, but has also earned that freedom, time and again in defence of the Empire which first made freedom a concrete state to be remembered thankfully in prayers.

We fought for recognition in the Civil War, Spanish American War, Boer War, World War I, and World War II, fighting side by side with our white friends and sacrificing equally with them. We have fought to preserve a way of Life which we have found to be better than any other. Some of our race, and notably, Private Dorian Miller, a mess man in the American Navy, have died gloriously for the privilege of FREEDOM.

Our united contribution has seen the end of the war in Europe. Together we are marching into fresh battles in the Orient. Together we fought and conquered the little men of Hirohito, and when the day has come we hope that the sacrifice of white and colored blood will be remembered: that White Men and Negroes will go on living in harmony and equality just as they fought in equality and died for that cause and were buried in common graves.

WALTER L. PERRY,
Chairman.

Message From The Mayor

"The people of our day have witnessed throughout a period of five and a half years of total war the bloodiest of all conflicts.

"During this struggle men, regardless of color or creed, fought gallantly side by side. Blood from the veins of all flowed freely onto battlefields scattered all over this earth.

"The war was fought and won that free men, wherever they are, should all be treated as children of God and that no race or creed be allowed to ride rough shod over the other.

"This we must remember, the problems of peace are equally as difficult as the problems of war and if we are to succeed in winning the peace it means that we must all work together in a spirit of brotherly love in its true sense. Tolerance is not a word only to be preached but one that all should sincerely practice.

"On behalf of the citizens of Windsor it is indeed a privilege to welcome to this community all who come from other cities in Canada and the United States of America. We sincerely trust that your stay here may be most pleasant and rest assured that the hand of welcome and true friendship is extended to you always.

Sincerely,

"ARTHUR J. REAUME,

"Mayor of Windsor."
