The Senior Class of Assumption High School of 1951 presents The Crusader
THE SCHOOL SEAL

The school SEAL is comprised of a shield and a circular scroll. The shield briefly depicts the origin and development of the school, while the circled scroll bears the Latin motto of all Basilian-conducted schools: "TEACH ME GOODNESS, SELF-DISCIPLINE, AND KNOWLEDGE."

"TEACH ME"... expresses the efforts and objectives of our teachers, the Basilian Fathers.

"GOODNESS"... designates religious and moral training, the primary objective in a Basilian school.

"SELF-DISCIPLINE"... embraces character training in the fields of sports, dramatics, and all recreational functions where team-work and spirit are of the essence.

"KNOWLEDGE"... depicts the entire field of academic training as preparation for fruitful living in the world of tomorrow. This is the SEAL of our school, the SEAL which unites the interests of God and man.

DEDICATION

TO MARY
OUR DEAREST MOTHER
IN HONOR OF HER
GLORIOUS ASSUMPTION
WE LOVINGLY DEDICATE
THIS VOLUME
Graduates of this Holy Year, you will find yourselves in your own history and in humanity's history. Strive to meet with courage and generosity your duties as lay apostles of Christ. So long as you continue to frequent the sacred school of the Eucharist, nothing need dismay you, for in the vibrant words of Pius XII:

"It is from this celestial Banquet, from this most real union with God, that sanctity must draw its main strength. From this union and this sanctity the family, social, and international ties, must derive vigor, so that in the end the precious gift of peace may flourish through sanctity and unity."

Willingly do I bless you and the devoted teachers who have given of their best to fit you for a glorious career here and hereafter.

Cordially yours in Christ,

*John C. Cody*  
Bishop of London.
DEAR GRADUATES—

Who else in the world carries so heavy a burden of care and anxiety as our Holy Father, Pope Pius XII? Yet, not long ago Pope Pius congratulated present-day youth on the privilege it enjoys of living in an age when, over the whole world, tremendous changes are taking place and human society is perhaps being shaped in a new mold.

So, Graduates of Fifty-One, when the moans of pessimists assail your ears, pay no attention to them. Rather, use the precious gifts of optimism and enthusiasm that properly belong to youth; make your own the glorious courage of Pius XII, who looks beyond the real dangers of the present to the equally real benefits that can be gained by a generation that uses its own strength and humbly asks the help of God.
DEAR SENIORS:

As graduates of the class of 1951, you are going out into a world that is sadly in need of good Christian leaders. Your education during the period of high school training has been based upon Christian principles of living. If your school days are to continue, we sincerely hope that you will seek an institution of higher learning that will continue to instill those Christian principles into your lives. If, for any reason, your formal education is now at an end, we urge you to cling fast to the moral code that has been outlined for you while you attended Assumption. Only by loyalty to that code will you be an asset to society, and a credit to yourself and your school.

God bless you.

DEAR FACULTY—

For the members of the senior class, thoughts of graduation carry with them a note of happiness and a tinge of regret; happiness, that opportunities for future advancement are unlimited; regret, that our high school days are soon to be terminated. Although we look ahead to what lies before us, our thoughts will often return to the members of the faculty, whom we will remember both as teachers and friends, always so willing to help us attain our goal of goodness, discipline, and knowledge.

We thank them for an academic training integrated with a strong moral code, which, we are confident, will serve us well in the years to come. As an appropriate closing to this phase of our moral education we have had the privilege of witnessing the definition of the dogma of the Assumption of Mary, our Patroness.

Once again the members of the Class of Fifty-One join in offering heartfelt thanks to the Basilian Fathers and staff, and we sincerely pray that the Virgin Mother of God, under whose patronage they work, will continue to bless their efforts.

The Sodality of the Immaculate conception of the Blessed Virgin Mary was formed at Assumption in 1874. It is therefore the oldest organization in the school and membership in the society is considered one of the highest privileges. The chief objective of the Sodality is to pay special honor to the Mother of God by rendering her faithful service, and by practicing the virtues so dear to her. Weekly meetings are held by the organization under the direction of its moderator, Fr. U. J. Girard, assisted by the Sodality council elected annually by the members. On December 8, Feast of the Immaculate Conception, nineteen students were received into the Sodality. Their names were placed in the traditional Sodality heart at the foot of our Lady's statue. This heart, which contains the names of all the sodalists of former years is now filled to capacity and must be supplemented by a replica.
Sodalists parade on occasion of definition of dogma of Assumption.

Fr. Girard assisted by Comuzzi, Begin, Burman, and DeMatta distribute Sodality medals to new members.

NEW MEMBERS Don Spurgeon, Ed Stinn, George Tomlinson and Ted Walsh read the Sodality Promises.
Under the tutorship of its new director, Mr. Carlo Cartaino, the band this year more than lived up to its excellent reputation of the past. Adding its usual pep and colour to the football season the band carried off its maneuvers and illuminated displays behind the talented batons of Drum majors Bobby Carr, John Cookson, and Barry Gemmel. Participation in the annual Windsor Santa Claus Parade together with

AIR CADETS

Cadets prepare to take off for Centralia.

Rev. C. F. Harrison, C.S.B.

Annual Inspection
No. 310 Royal Air Cadet Squadron was established during World War II and since its inception over a thousand cadets have received training. The squadron is under the supervision of Father C. F. Harrison, C.S.B., who is assisted outside the school by six former officers of the R.C.A.F.

From the summer camp training session at Aylmer the Assumption squadron brought home both the Station Shield and the Junior Station Shield with an envious margin of 300 points over its nearest competitor.

Flt.-Sgt. George McMahon, Sgt. Albert Potvin, and L.A.C. Gaston Legault were granted flying scholarships by the R.C.A.F.

Sports...
In terms of victories the football season was not the greatest in the school's history. In fact, we had to be satisfied with one win and a tie. But it was OUR team out there in every game and we were as proud of it as of any of its predecessors. It was a light team, an inexperienced team, and although it possessed a true fighting spirit and the characteristic Assumption will-to-win, it couldn't quite make up for the lack of speed, weight, and experience. Early season injuries deprived the team of such veteran big-guns as Red Miller, Bill Lucier, Don Turner, and Frank Dupont.

Despite an unimpressive record in the "win" column the team produced its share of stellar performers. Ron Rochon was the unanimous choice for the All-city fullback slot, while Bill Begin and Bob Burman missed similar honors by a single vote. Before Bill Lucier was sidelined by injuries his performance was more than sufficient to capture the Most-improved-player Award.

With next season's co-captains Ron Rochon and Tom Winkle at the helm and a promising quota of seasoned material on the roster we look forward to greater achievement in 1951.
Mr. Lou Yeager
Assistant Coach

Fr. R. J. Cullen, C.S.B.
Assistant Coach
The Junior Raiders, last year’s WOSSA champions, relinquished their hold on the coveted trophy this season, but only after a bitter fight to retain it. After sweeping through their five-game local schedule undefeated—in fact their goal-line was trespassed but once—they journeyed forth as the city champs in search of more remote scalps. The first sally abroad met with success when they grabbed the semi-final tilt from a strong St. Thomas squad. Glad to settle for the skimpy margin of a 5-0 score they returned home to prepare in earnest for the final bout with Guelph. They met the latter at London on Thanksgiving week-end and it might have been a great battle if the elements of nature had not decided on entering the fray. When the final whistle sounded the teams climbed out of the slush and mud to learn that the WOSSA crown had passed into new hands to the tune of another 5-0 score.

To single out the stars and relate their abilities and accomplishments would require more space than is available here. The team had plenty of depth and versatility and gave promise for a formidable varsity squad in ’51.
Last minute instructions from Fr. Armstrong.

Mr. Tom Smith
Assistant Coach

Fr. E. E. Burns, C.S.B.
Assistant Coach
THE HOUSELEAGUES

TIGERS

ABSENT:  T. O'Donnell.

Perhaps Assumption's greatest boast is its intramural athletic program. The house-leagues hold a highly prominent place in the school's activities, not only because they provide an excellent system for training prospective varsity material, but more importantly, they afford a medium of healthy exercise and physical development for the entire student body.

The 1950 football season in the senior league was as rough and hard as will be found in that sport anywhere. Although handicapped by unfavorable weather conditions the league got off to an early start and continued almost daily until late in November.

The league schedule was divided into two halves, with the championship being decided by a play-off between the winners of the respective halves. The Tigers, after sweeping through the first half undefeated and untied, were edged out by the Bears in the second round. However, in the title game the Tigers rallied back to literally swamp the Bears, (the game was played in six inches of water) and capture the coveted Senior trophy.

The Intermediate football league was comprised of five teams in the 120-135 pound weight class. It was a rough league that featured thrill-packed battles between well-coached squads. The spirit of fight and the determination to win was so characteristic of these teams that an onlooker might easily have thought that the National Interscholastic title was at stake.

The Cardinals, coached by Mr. Rankin, qualified for the play-offs by finishing on the top rung in the first round. The reluctant Braves had to settle for second place, with the Panthers, Texans, and Bruins trailing in that order.

In the second half of the schedule the Panthers took over undisputed command of the league and looked like sure money until they tangled with the revenge-hungry Braves. This time the scalp-hunters were not to be denied. They removed the Panther fangs and disposed of all other opposition, thereby winning the right to meet the Cardinals for the championship. They not only met them; they took them—and the league honors.

The Bantam house-league is made up of boys in the weight class of 100-120 pounds. Like the other leagues it’s schedule is divided into two halves with a play-off between the winners of each half. The first round was taken by Mr. Heath’s Notre Dame squad after nosing out St. Marys in a hard-fought battle. Marquette, Villanova, and Fordham finished this first heat third, fourth, and fifth respectively.

The second half brought its usual bag of surprises as Mr. Hickey’s Villanova squad after a very sluggish start caught fire and roared into the qualifying spot for the play-off. In the title fight with Notre Dame Mr. Hickey’s boys unleashed an unsuspected offensive power that was too much for the ‘Irish,’ and waltzed merrily home with the championship.

Hockey

SENIOR W.O.S.S.A. CHAMPS

The Raider Pucksters carried the school colours through a long series of glorious triumphs in perhaps the greatest hockey season in the school's history. Sweeping undefeated through the ten game regular schedule they easily disposed of Kennedy in the semi-finals of the city race, and captured the W.S.S.A. trophy by eliminating Tech in the two-game final round by identical scores of 4-1. Real Tech of London was next to fall under the axe as they dropped a two game series to the Raiders by scores of 2-0 and 8-3. Then out of the north came a powerful sextet from Owen Sound, who eclipsed the Raiders in all departments except the score sheet. When the smoke cleared from a rugged battle at the Windsor arena the visitors found themselves on the short end of a 5-1 score, and the Raiders added another trophy to their collection—the W.O.S.S.A. Senior Championship. As the CRUSADER goes to press our boys are packing their bags for an invasion of the north country where they will meet the winners of the Central, Eastern, and Northern Ontario districts in a tournament for the provincial title.

Under the tutelage of their highly proficient coach, Father R. J. Cullen, C.S.B., the Raiders developed with amazing rapidity from a mediocre squad at the start of the season into a hard-skating, merciless-checking organization. "Blind" Bill Lucier was a consistent bulwark in the nets and contributed greatly to the team's success. As for offensive power, it would be unfair to single out any stars. Every player gave a star performance in his own department in more than one game. Actually, the successful season was due more to the co-ordinated effort of the team as a whole than to the work of individual stars. Perhaps the story is best told by the score book which shows that the Raiders outscored their opponents 84-19 in a string of eighteen games.
TENNIS
