The Marian Year
1954
Message of Bishop

The theme of my message is dictated by the fact that you are graduating in Marian Year, in an institution dedicated to Our Lady and in a diocese of which Mary Immaculate is the chief Patroness. By the Joint Enthronement ceremony of last December 8th, Assumption College solemnly hailed Christ as its King and Mary as its heavenly Queen. The significance of this event is nicely summarized in the statement of Pius XII to the pilgrims gathered at Fatima on May 13th 1946: “He, the Son of God, reflects on His heavenly Mother the glory, the majesty and the dominion of His Kingship; for, having been associated with the King of Martyrs in the ineffable work of redemption as Mother and co-operatrix, she remains forever associated with Him, with an almost unlimited power, in the dispensation of graces which flow from the Redemption. Jesus is King throughout all eternity by nature and by right of conquest; through Him, with Him and subordinate to Him, Mary is Queen by grace, by divine relationship, by right of conquest and by singular election. And her Kingdom is as vast as that of her Son and God, since nothing is excluded from her dominion”. Whatever be our calling, we must play our part in establishing Mary’s queenship over all hearts as a perfect means of establishing the reign of Christ the King.

Devotedly yours in Christ

+ John C. Cody

Young Christian Students

A new religious group made its appearance at Assumption this year. It is known as the Y.C.S. or Young Christian Students. The members work to acquire a truly Catholic attitude toward modern day student problems. Through such methods as classroom discussions they try to help their fellow students to arrive at the correct attitudes.

The student problem dealt with this year was that of teen-age love and dating. Members and classmates worked together to present the various aspects of this theme “To love is to sacrifice”, as the correct answer.

FR. R. CULLEN
Coach
Though not rewarded for their tremendous effort by many victories, the Assumption Junior Varsity would be a credit to any school, to any coach. Taking a group of untrained sophomores and freshmen, Father Cullen, Mr. Jordan and Bob Knuckle moulded a very strong team, basing all on well performed fundamentals. The boys spent many long hours on the practice field, blocking and tackling, running and passing. The satisfaction came in the games that they played. They were able to show Assumption followers the type of rugged football to which Raider fans are accustomed. Outweighed and underaged in most games, the Junior Raiders gave a very creditable showing. They fought all opponents, no matter how highly regarded, as their equals. Their opening game with Corpus Christi Varsity, a thriller from start to finish, was marred only by a third quarter touchdown which gave the victors a 6-0 victory. The Raiders came back sharp and spirited the next week to trample the city-famous Windsor Jets 11-0. They lost a tough one to the Jets in the last game of the season when a point after touchdown would have saved them from defeat.

THE GIANTS

Defeated and tied only once by the same team, our 1953 House League Champions, the Giants, marched through the season triumphantly to capture and hold the top spot.

From the beginning, the Giants were willing to learn, faithful to practice, and possessed a never ending will to win. They worked as a team, and they won as a team making them true champions.

Captain Ron Blanchard kept the team as a unit through the pass-snatching talents of Johnnie Matta, and George Husak, the speed of Donnie Allen, Neil LaDouceur and Bob Beneteau, along with the hard-hitting line led by centre Ambrose Rouble, the passing of Quarterback Dave Paron, and most of all the successful Coaching of Mr. Christopher, C.S.B.

Congratulations to the Giants on their success.

Tagged at the opening of the season as the “team that wouldn’t get too far”, the Tigers proved themselves to be just the opposite. Although they got off to a slow start, they never let the fact that they lost the first few games get them down.

The Tigers had a terrific spirit all season but in the final game, when they met Mr. Allnoch’s Spartans, an almost over-spirited Tigers team trounced the Spartans 16-5 to walk away with the Bantam League Championship of 1953.

It seems as though it would be unfair to name any certain one player as the “star” of the team since it was the whole-hearted cooperation of the team that made the Tigers No. 1. The Tigers were a perfect example to all the teams of the Bantam League in showing them what a team faithful to practice with a will to win, and full cooperation with their Co-Captains, Joe Ray and Pedro Rodriguez, can do.

FOUR SUCCESSIVE CITY TITLES TO RAIDERS

For the fourth consecutive year, the Assumption High Hockey team has won the City High School Championship. During that time the Raiders have won 56 games, lost 5 and tied 3.

The most prominent characteristic of the 1953-54 champs was the poise and balance of the squad. Boasting two exceptionally fast and clever forward lines, backed by a hard-hitting, speedy defence, this team scored almost at will. Their amazing defensive prowess limited the opposition to ten goals in the fourteen league and playoff games.

Netminder Clayt Tourangeau enjoyed unbelievable protection from defencemen Tom Paterson, Bill Evon and Larry Parent in etching his record-breaking string of shutouts as he blanked the opposition in four straight games. Captain Ed. Carriveau centered the "hustle and scrap" line of George Husak and John Lemay, whose brilliant forechecking set up many a goal. Rookie Roy Giroux, Al Gatti, and Ega Cosinato furnished the finesse and smooth passing plays that bewildered their befuddled opponents as they swept effortlessly in to score. Nisch Mascarin, Richard Pouget and Jerry Carpenter operated as a regular line as well as filling in with other lines in emergencies.

Moulding themselves into a hard-skating, merciless checking organization, the 953-54 edition of the Assumption Hockey Champs upheld the tradition handed them by previous title winners.

Where will I fit in?

Soon schooldays will be over ... the final class dismissed ... the warm goodbyes said. As you hear the school doors shut behind you, will you be wondering, "Where will I fit in?"

To find the answer look about you. Never before has development in Canada been on such a breathtaking scale ... in northern wilderness ... on western plain ... from coast to coast wherever industry produces the sinews of progress. Today Canada wants and needs every skill and talent its young people possess — no distant fields are so green as those at home! It is vital to choose your future wisely, but choose confidently, knowing Canada has opportunities worthy of the best you, and every other graduate, have to offer.

It is a striking fact that many of the outstanding athletes train on chocolate because it is a food and an energy producer.

Chocolate is a creator of vigor and nerve force and supplies the body with that extra energy—that added punch—that is necessary to win.

Jersey Milk Chocolate is the finest of all milk chocolate. Experts say the habit of eating a bar of Jersey Milk Chocolate every day is a healthful one to form.

100 Years ago our company had its start when a man named Richard Carney bought an old Washington Hand-press and set up shop. It required courage and faith to begin his venture.

Photo-Repro, a modern proven process originated by Richardson, Bond & Wright, now 100 years later is doing the task Mr. Carney undertook — producing quality printing at economical prices for the Canadian community.
