THE HISTORY OF THE DETROIT RIVER REGION

1867 1967
As early as 1656 and possibly much earlier certain persons explored the Detroit River to make a fairly accurate map of the waters and the adjacent land. At this time the whole of Western Ontario including the Essex County peninsula was nothing but the unpopulated hunting grounds of the Iroquois.

On July 24, 1701, Lamothe Cadillac under the sponsorship of the French Governor of Quebec, with a flotilla of twenty-five canoes explored the Detroit River to its mouth and founded Fort Pontchartrain which was situated just at the foot of what is today the Ambassador Bridge at the American side. They erected dwellings, a warehouse and a place of worship. Several different Indian tribes, among them the Hurons, were apportioned land adjoining the Fort. In 1738 the Hurons earned the enmity of their neighbours and were moved to the island of Bois Blanc (known today as Bob-Lo). However, the Governor of Quebec was anxious to have the Hurons closer to the Fort and so a lodge was erected at La Pointe de Montreal on the south side of the Detroit River opposite Fort Pontchartrain. At the same time a Jesuit mission was established nearby, but it was not until 1776 that the name of the locality was changed to L'Assomption. The parish of Assumption which had its humble beginning in this small mission was officially established in 1776, the first parish in what is now the Province of Ontario.

THE OLD MISSION HOUSE
For the next few years settlers came steadily to live at Detroit and between the years 1749 to 1751 twenty-five parcels of land were granted to settlers on the Canadian side of the river. Hardly had the French settlers on the south shore begun to feel secure in their possessions wrested from the wilderness when the Seven Years' War broke out in America. This was followed by the British occupation of Detroit.

For more than twenty years after the conquest nothing was done to bring British colonists to the Detroit area. However, the close of the Revolutionary War in 1783 brought to Canada an influx of United Empire Loyalists who came seeking new homes under the old flag. For the Detroit River region this Loyalist immigration meant a second birth. In preparation for the handing over of Detroit to the Americans, the Settlement of L'Assomption (later Sandwich) was chosen as the seat of government for the Western District, and land opposite the island of Bois Blanc (later Amherstburg), because of its strategic position commanding the entrance to the river, was selected as the place where the military post and naval station would be established.

From this time the settlement of L'Assomption grew rapidly as many of the new settlers included merchants and government officials who contributed much to the development of the business, social and cultural life of the area. Moving eastward up the river tracts of land were purchased from the Indian tribes and these were in turn sold to the settlers who then proceeded to build substantial homes.
One of these homes which is still occupied to this day was built by Colonel McKee at the corner of Mill and Russell streets. An interesting story connected with the war of 1812 was that General Brock and a very small garrison of men were billeted in this home. The American army stationed across the river, and consisting of far more soldiers than Brock's poor forces, were preparing to attack, but Brock led his small troop out the front door, around the house and in the back door continuously until nightfall. The Americans seeing the supposed strength of General Brock's forces changed their plans and the attack was called off. In this same house there can still be seen today in the ceilings of the living and dining rooms the hooks where the Indians would hang their furs they had brought to trade.
You may have wondered why our community developed in a narrow strip along the river. There were two reasons. First, the river was necessary for communication and as a source of food. Second, except for small areas of meadow near the shore, the remaining property was not fit for development being heavily wooded and swampy.

SANDWICH STREET, WINDSOR

As the community continued to expand many new streets were constructed, several of them being named after the townspeople of the day, namely Ouellette, Parent, Goyeau, etc., and others named for various Indian tribes - Seminole, Huron, Line, Dacotah, Iroquois, etc.
There was a time when what is now the City of Windsor was called a suburb of Detroit. I am told there was some truth in this for the site of our former C.N.R. railway station was the location of an early plan of subdivision made before Windsor was ever known. That plan was named South Detroit Subdivision.

The Old City Hall and Park, Windsor Ave., Windsor, Ontario. This is on the site of the Old Windsor Barracks.

This is only a small portion of the early history of our community but I hope I have given you a better knowledge of the beginning of this area.

In closing I would like to quote the memorable lines of Father Hennipen after visiting the Detroit River region in 1679:

"Those who shall be so happy as to inhabit that noble country cannot but remember with gratitude the men who have discovered the way by venturing to sail upon an unknown lake for about 100 leagues."

Superior of Assumption High School,

MESSAGES TO THE GRADUATES

One of the signs that a person has grown up and matured is that he begins to do things for himself and for others. When we are born and during the early years of our life, our parents take care of us. Gradually, we begin to do things for ourselves until we reach a point where we can and must look after ourselves. I say 'must' because if we do not reach this achievement then we have not grown up and matured.

However, there is more to maturity than just looking after ourselves. If we are to be fully matured, we must get outside of ourselves and do things for others. There are some who fail to cut the apron strings and go on their own, but there are many more who display a definite immaturity by a lack of consideration for others.

What you, as high school graduates, can offer others, is hard to delineate exactly. However, a graduate of a Catholic High School certainly has something to offer. You have been taught a definite mode of life that you can be positive is correct.

Thus, if you live this life as you have been taught to live it, you, by your example, will do a great deal to influence others to be good Christians and good members of the community in which you are living. If and when the opportunity arises you may be able to help someone by positive instruction.

At any rate, live your own life, with God's help as well as you know how and you will have taken a great step in helping others to do the same.

Fr. F. M. Sheahan, C.S.B.
Superior,
Assumption High School

It is worthwhile noting, I think, during Canada's Centennial Year, that Assumption and Canada have something in common - both have been in existence for 100 years. As a matter of fact Assumption was founded by Father Pierre Point, a Jesuit Father, in 1855.

Graduates of Assumption, you owe a great debt to the past. From dedicated Priests and Laymen, you have received the rich heritage of a Christian Education. You must carry this heritage into the future - into the Universities of your choice, into society, and into your home.

The riches you have gained from your four years at this school are the precious jewels of Goodness, Discipline, and Knowledge.

With Goodness you can live an exemplary Christian life. With Discipline you can overcome self and all other obstacles. With Knowledge you possess the key that can open many doors.

It is our hope and prayer that you the Graduates of 1966-67 will use these riches intelligently and prudently - that you will carry the spirit of Assumption's Centennial into whatever walk of life God has chosen for you.

The 1966 Assumption High School PURPLE RAIDERS gave it all they had this past year. But, fate was against them.

The offense shelled out a blazing bombardment. The backfield, with Larry Lajoie as quarterback, completed pass after pass, resulting in A.C.H. pulling ahead very early in the game. Frank Mancini's quick kicks helped scatter the offense and lead our players forward. Ground plays improved as the year progressed, with Paul Michel being the main ball carrier.

But last year's strong point, the line, was missing. This year's players who made up the line were less experienced. Coach Hool also noted that the line was smaller than last year's line. With the help of the old pro, Gerry Dubien, the line stayed together. Tom Dennis and August Revenberg did make the city's 'DREAM TEAM', so we can't say that the year was a total loss.

We must not hang our heads or look down on our team because of the past year's season, but rather we should congratulate our men and help in giving next year's team better support.

The Junior Varsity Football Team, under the coaching of Mr. Jack Julian and the leadership of Capt. Dennis Smith, finished first in the Western division.

The league champs, Brennan, overpowered our offence and broke through the defence that had withstood the season which let in only 45 points.

The best players on the team were Carl Spinarsky, Dennis Smith, Ed Kunietsky, and Mike Naughton.

The team is still young and next year two quarterbacks, two fullbacks, and one flanker will be back on the team. If the experienced team holds out with the rookies next year, Mr. Jack Julian will have a Championship team.

SENIOR BASKETBALL ‘ONTARIO CHAMPS’

The Assumption High School Purple Raiders, coached by Mr. Jack Hool, led by quarterbacking Sante Salvador, along with field goaling Gary Ulicny and Glen Ladouceur; with Stan Krete and Mike Crowe under the basket and Jack Bolzan sweeping the boards, grabbed victory after victory. Finishing the regular season in a 14-0 record, they went on to capture the Christmas Tournament in 3-0, and winning the W. S. S. A., S. W. O. S. A., and All-Ontario Championships, bringing to a total of 23 games won, no losses and no ties.

During the Christmas Tournament, the Raiders won both the Windsor University Invitational Tourney plus the Benny Crowley Trophy by defeating Niagara Falls, Herman, and Patterson.

In the W. S. S. A. semifinals, the Raiders took an early lead in the game and wallop the Lowe-Tech Roughriders 73-29. In the finals, the Raiders fell behind in the first three quarters but came ahead in the last quarter and defeated the Kennedy Clippers 45-38.

On March 3 the Raiders added another trophy to their collection - the coveted Windsor Star Golden Ball Trophy by dumping the Leamington Lions in Amherstburg by a score of 53-35.

On the next weekend the Raiders played three games - one on Friday night in which they defeated the London Beck Team. In the semifinals they defeated Barrie, and in the finals on Saturday night, the Raiders defeated the Hamilton Cathedral Gaels bringing to the school the Les Waddell Memorial Trophy and the Ontario Championship.

CONGRATULATIONS!

JUNIOR VARSITY BASKETBALL

This year's Junior Basketball Team finished the season with an impressive 10-1 record. On the overall, they were not as good as last year's team, for they lacked experience. The team was made up of freshmen, sophomores, and a few juniors. Their inexperience in crucial games resulted in a loss to Kennedy in the semifinals. However, their great drive and determination pushed them on to a ten game winning streak... this spirit is something to be proud of.

As for next year, many of the players are leaving. Dave Cogliati and Dennis Smith head for the senior ranks. But the future outlook is good. This year's eager-playing freshmen team will be next year's Juniors and it looks as if the Raiders will be in the final running next season.

Assumption’s Senior Hockey Team, under Rev. R. J. Cullen and Mr. R. Griffin, ended their season in the finals again this year. During the year several factors led to the team’s mediocre showing, the most important of which was inexperience. Fr. Cullen in the past, has built his teams around two or three veterans who carried the younger players over the rough spots. This year the veterans were scarce. The team, predominantly 10th and 11th grade students, went right to the semifinals where a Lowe-Tech defenceman picked up a loose puck and slammed it into the net after Assumption had desperately attempted to tie the score in the dying minutes of the season.

The team’s strong point was its defensive play. Scot McFadden, last year’s all city choice, turned in another excellent season with a 1.7 goal against average. Pat Ducharme and Carl Spinarsky were Assumption’s rear guards aided by Bill Schiller, when he wasn’t filling his regular spot on right wing. The offence was spearheaded by John Pepin, Captain; and Jim Paterson, assisted by Neil Brown, John Adams, Gary Weir, Mike White, and Fred O’Donnell.

Injuries, like youth, took their toll with key players like McFadden, Ducharme, Brown and Servas Verhoeven were sidelined at various times in the season.

In the regular season play, the team scored 22 goals in ten games, while 17 were scored against finishing the season with a 4-4-2 record for a third place finish.

The Purple Raiders look to a better future with all but one of the regular line-up returning for next year’s action.

**Because of lack of space on the Assumption All-City Page, we were not able to announce that John Pepin, a Grade 13 student was chosen a member of the All-City Hockey team of 1966-67. Congratulations John! **
This year's Midget Hockey Team did exceptionally well in their hockey season, going all the way to the finals only to be defeated in the last game by the undefeated Lions. In the semifinals, the Raiders defeated Police in three very well played games and during the finals the Raiders tied two games against the Lions, but lost the last game.

Those remaining on the Midget team will practice 'Lion-taming' (quoting Fr. Doherty) next year.

At the end of the season play, Carl Spinarsky was chosen as the most valuable player and was awarded the Folley Trophy.

Many thanks to Mr. Vernelli, Fr. Doherty, and Mr. Klien for their successful team and for training these future Varsity players.

A Student Council is vital in the life of a high school. The 1966-67 Council was moderated by Fr. F. Zakoor, with Glen Ladouceur, President, Ed Kostashuk as Vice-President, John Birch, Treasurer, and Greg Stuart was the Secretary. Each Class in the school had a representative at the meetings. The meetings were held every second Thursday after school in Room 105.

This past year the Student Council sponsored the dances held at the school, sponsored the Annual Can Drive, awarded members of the school for their Academic achievements, and awarded the 'Assumption Man of the Year' Award to Mr. Frank Wansborough for his outstanding contributions to the city of Windsor.

As the year progressed, the Council broke up into different committees to establish facts about the things the students wanted. These groups found the good and bad points about these subjects and how to overcome certain obstacles. Much praise should be given to this year's Student Council for their achievements during the past year. We hope to have as good a Student Council for the coming school year.

The 1966-1967 version of the Assumption Drama Club staged a successful and well-received presentation of the play 'MR. ROBERTS', even though the weather was against them. Directed by Larry Tamen, and with lead roles played by Tim Carter (Mr. Roberts), Tom Cygan (the Captain), Ray Marentette (Ensign Pulver) and Bob Wilson (Doc), it gave a very good background of what to expect in future presentations. Although the club had fewer members, the number of Freshmen showed a bright future for Drama.

Scene from the play, 'MR. ROBERTS' with Ray Marentette, Tim Carter, and Bob Wilson.

Stage Crew: John Fellows, John Balga, Jim Carey.
A good Debating Team, such as that of Assumption, needs at least four good speakers. Assumption had five this past year. Of the five members there were two Affirmative, they being Garry Masse, 1st Affirmative, and Paul Larsh, 2nd Affirmative. To oppose them were two negative members: Tim Carter, 1st Negative, and Greg Frenette, 2nd Negative. Tom Cygan, the fifth member, was with the team during the initial part of the year.

Side by side, these two teams, coached by Mr. Delaney, C.S.B., went on to beat such schools as Notre Dame H.S., University of Michigan H.S., and Regina H.S.

A day of debating consists of six periods of debate. Through a whole year of debating our team won five of the debates and lost one. The topic which they had to speak on this past year was: Resolved - That the Foreign Aid Programme of the United States be limited to non-military assistance.

This past year our team did very well by winning the trophy for being the best debating team in the area and special tribute should go to Greg Frenette for his excellent debating. Greg won a First Prize and two Second Prizes in the championships.

What do the boys on the Debating Team see in the future? Well, trips to such places as Toronto and New York State. To them we wish the best of luck for many wins in the future and confirmation on their future trips.

Our concert band again gave an outstanding spring concert due to the superb conducting by Mr. James Tamburini, a man of wide musical experience. The band played a wide variety of music this past year ranging from classical to jazz and including broadway and folk music.

It toured some local schools in the spring which included St. Mary's Academy and Amherstburg high schools. Fr. D. Callam was the moderator of the band.

The Pep Band, under the direction of Fr. Dillon, played at all the sports events and contributed greatly to the school spirit.

MISSIONS

L. Goyreau, Fr. Fullerton, J. Gatfield.
This year's Can Drive was the most successful drive in the history of its existence. In 1959, when the drive was begun, the cans collected numbered just above 1,000. This past December the total number greatly surpassed the 1959 total. The amount of cans collected - 32,006. Last year's total collection stretched one and one quarter miles - this year's total could stretch one and one half miles if the cans were placed side by side.

The class which collected the most cans in the whole school and won the Senior Division was class 12-2 with a total of 6,932 cans. In second place was class 11-3 with 2,683 cans and third place was held by 11-5 which contributed 2,507 cans.

In the Junior Division, 10-1 collected 1,604 cans. Second was 10-4 with 1,456 and third was 9-1 collecting 1,076 cans.

These cans were given to the Saint Vincent de Paul Society to be distributed among the needy in Windsor for Christmas. Other cases of cans were given to Saint Anne's Parish in Detroit for the needy of that parish.

We should thank the people of Windsor for their cooperation in the drive and to the priests and scholastics who helped us collect the cans to make this drive such a success.

IN MEMORIAM

STANLEY FISTER

This past April, the students of Assumption High were shocked to hear of the passing away of a good friend and excellent teacher, Mr. Stanley Fister.

Mr. Fister died of an apparent heart attack in his home on April 15, 1967.

He received his Bachelor of Arts Degree at the University of Windsor in 1960 and began teaching History and Geography at Assumption in 1961. Mr. Fister was the head of the History and Geography Department.

The students wish to convey their sincere sympathies to Mr. Fister's family.

Craftsmanship in Construction

Fine buildings reflect the crafts and the skills of the men who build them. That is why you will always find top-notch tradesmen and supervision on Eastern projects.

We specialize in industrial, commercial and institutional construction and have a staff of civil and mechanical engineers to supervise this work. When your building plans are marked “rush with care” consult Eastern. We build throughout Southern Ontario.

In this great CENTENNIAL year, the future mathematicians and leaders (11-4) of our nation, proudly salute CANADA. It was a tough 100 years, but we survived it. In this way we hope to be the shining example for future generations of Canadian children consciously and unconsciously striving towards a good education and a successful career in this great and growing Canadian nation. Also, we placed third in our can-drive. Long live our next math teacher and poet Mr. A. Mudrjy.

A LIFE OF ADVENTURE

Here is a career opportunity that offers young men education, training, travel, challenge and A LIFE OF ADVENTURE. If you are a high school graduate with senior or junior matriculation standing, you are eligible to apply for enrolment in the Regular Officer Training Plan (ROTP). Successful candidates are enrolled in the Canadian Armed Forces and attend the Canadian Services Colleges or a Canadian University. At graduation cadets are awarded the QUEENS COMMISSION and begin their careers as officers in the Canadian Armed Forces.

Application for admission must be made not later than 1 July of the year of entrance but candidates are encouraged to apply as soon as they consider themselves eligible.

Complete information on the Regular Officer Training Plan may be obtained from the nearest Canadian Forces Recruiting Centre or from the Director of Recruiting, Canadian Forces Headquarters, Ottawa, Ontario.

FROM THE EDITOR

1967 was a good year, for teams, for competition, for the yearbook, for Assumption in general. Only by keeping both defeats and victories in view can we hope to strive forward and make great accomplishments.

To everyone who contributed in any way to the production of this yearbook, I extend my thanks: to the Crusader staff, the class representatives, and those who collected advertisements and patrons.

I hope that as you look through the '67 Crusader tomorrow or ten years from now, you will find more victories than defeats, for 1967 was a good year, and 1968 will be even better.

Good Luck in '68

IN MEMORIAM

GIAN CARLO SPINNAZZE
(1949-1967)

On April 7, 1967, a Grade 10 student, Gian (John) Carlo Spinnazze, son of Mr. and Mrs. Lorenzo Spinnazze, passed away in Hotel Dieu Hospital. He was born in Italy on September 29, 1949 and was a student in Class 10-1. He received good marks on his exams and was well liked by both teachers and fellow students. We, the students of Assumption High School, as well as the faculty, wish to extend our sincere sympathies to his parents and family for their loss.
