OF
ASSUMPTION
We fondly dedicate the 67-68 Crusader to the memory of Rev. Vincent J. Fullerton C.S.B., who through his leadership and example led the Men of Assumption in the many facets of life.
His Excellency
Most Rev. G. E. Carter, D.D.,
Our Bishop
Throughout the years, the Blessed Virgin has been the inspiration for the students of Assumption. The very name of Assumption College School commemorates the acceptance of the Blessed Virgin in heaven.

Yet the most important point is that the Mother of our Lord has given to us guidance, consolation and a banner around which we gather. Mary, our patroness has been sought many, many times for advice in studies, school and personal problems. Mary has been the consolation of the Men of Assumption in grief and sorrow. Mainly though, the Blessed Virgin has given to us a sense of unity, brotherhood and community. Perhaps that is the key of Assumption Spirit. We exclaim this aloud when we sing the Alma Mater. With this in mind we express our gratitude for the inspiration which Mary has offered us always remembering, "Mary's men we'll ever be."

"Teach me goodness, discipline and knowledge." These words, the Basilian motto, surround the school seal of Assumption.

In the seal itself there are four sections, each with a specific symbolism. The initials, AM, a constant reminder of the Assumption of Mary, is the sign of the mother of the God we worship and the patroness of all we do.

In the upper right corner is an open bible. The bible is the word of God. It is the inspiration for a group of young men struggling to find a meaning in life. Lower left there appears the drawing of three small wigwams and a turtle. Assumption's property was bought from the tribe of Huron Indians living in the vicinity. It was located on a road, actually a trail then, Huron Church Line.

In the last section of the seal is a cross and a star. The cross is the cross of Christianity. The star of Bethlehem is the leading light for Assumption's students. They symbolize the life of Christ.

OUR PRINCIPAL'S MESSAGE

Men of Assumption:

The advances of Science and Technology during the past decade have made the world of today one where human values are threatened with extinction.

Man is losing the sense of dignity and sacredness which he possessed when he was master of the forces of nature and used them to provide for his simple needs.

Unless there are strong individuals who can articulate meaning in the sensual, senseless and soulless atmosphere which pervades society, we are doomed. Only those who are intelligently imbued with a sense of moral values and a realization of the divine origin and destiny of man can provide an answer which will satisfy the human spirit.

Catholic High Schools, like Assumption, which have high academic standards and which present a mature appreciation of the knowledge of God and the dignity of man...exist for the sole purpose of bringing you...Goodness, Discipline, and Knowledge.

Another better idea from Ford.

Better ideas count only if you are first. The selectivity tower pictured at Ford of Canada's new St. Thomas passenger car assembly plant is an example. It adds a new profile to the skyline of the Canadian automotive industry. Twelve storeys high, it stacks car bodies for immediate use when required on the final assembly line. It is a better idea—the kind that helps ensure better products.
