CHEVROLET FOR 1953 has been expanded to include three series of cars — Bel Air, "Two-Ten" and "One-Fifty." Available are 16 completely redesigned body types, including three four-door sedans, three two-door sedans, three station wagons, two sport coupes, two club coupes, two convertibles and a business coupe. Many new exterior colors, new and luxurious interior finishes and enlarged front and rear vision, are featured. A re-engineered Powerglide automatic transmission for greater operating economy and faster pickup; Power steering; and the Autronic Eye, an automatic headlight dimmer, are big car features offered as options at extra cost. A choice of two engines with increased horsepower is also available. Shown here is the Bel Air four-door.

ide Association requires New Commissioner

The Local Girl Guide Association for LaSalle, River Canard and Amherstburg announced last week they are looking for a volunteer to fill the post of District Commissioner.

The position is now held by Mrs. Harry D. Bondy, of LaSalle, but she has stated that she will resign from the office on January 31, and is looking for someone to replace her starting February 1.

While at the present time, the local association includes the territory of LaSalle, River Canard and Amherstburg; River Canard and Amherstburg, River Canard will, beginning with the first of next year, be transferred to the district of Sandwich West, alleviating a considerable burden on the next commissioner. Full information and details may be obtained from Mrs. Bondy, by phoning 2-4843.

River Canard Schools Stage Annual Concert

Over 700 parishioners and
children attended the annual
Christmas concert of St. Joseph
and St. Theresa schools on
Sunday evening, December 14
at the St. Joseph's Church Hall,
River Canard.

Arranged by the Holy Name
Sisters, the program included
musical and vocal selections by
the students, carol singing by
all and a Christmas play.

This was the annual concert
staged by pupils of both schools
and proved to be another out
standing success.

**Entirely New
STYLING**

Chevrolet's lower in height, with long, flowing, smoothly rounded lines to give you the newest look in cars! New interiors are richer — color-matched to exterior finish.

**Entirely New
POWER**

New 115-h.p. high-compression "Blue Flame" engine with Powerglide models.* New 108-h.p. high-compression "Thrifty King" engine with gear-shift models.

**Entirely New
POWERGLIDE**

New automatic starting and passing range gives you flashing get-away from a standing start, greater passing ability in city driving. Gas consumption is substantially reduced!

**Entirely New
ECONOMY**

You go much farther on every gallon of gas! Greater over-all economy of operation and upkeep! And, again in 1953, Chevrolet is the lowest-priced line in its field.

**Entirely New
SAFETY**

Greater ease and safety of control. Greater visibility with a new, one-piece curved windshield. Finer, smoother brakes. The safest Chevrolet you ever drove!

**Entirely New
DURABILITY**

Beneath the brilliant new beauty is heavier, stronger, more rigid construction. This means even longer life for a car always famous for durability and dependability!

**Entirely New
POWER STEERING**

You park and steer with finger-tip ease, yet you retain the familiar feel of the road. Power steering, optional at extra cost on Powerglide equipped models.

*Combination of Powerglide automatic transmission and 115-h.p. Blue Flame engine optional on 1953 Chevrolet. Air models at extra cost. Continuation of standard equipment and trim illustrated is dependent on availability of material.
