Librarians Begin New Year

Members of the Essex County Librarians' Association were welcomed to the County Library office on Thursday, January 15 by the librarian and the Board members.

As this was the first meeting of the association for the new year, plans were discussed for the meetings which would be held during the current year. Mrs. R. L. McCormick stressed the importance of the association as it was the link between the individual libraries in the county and the County Library Board, mentioning that any requests for administrative decisions of the County Library Board as placed at the association meetings were passed to the Board at their following meeting, and rulings given to the librarians in reply.

Mrs. McCormick recommended that the librarians should appoint as officers, a chairman and secretary to develop the meetings. She assured the association that the county library would continue to support the meetings as had been the case in the past. The librarians requested that Mrs. Walter Reume of Amherstburg should act as chairman, and that Mrs. William Houghton of Harrow should act as secretary. Mrs. Reume and Mrs. Houghton accepted the officers stating that they would endeavour to promote the Association throughout the year.

A letter from Miss Elizabeth Sloan, chairman of the County and Small Libraries Section of the Ontario Library Association, was read requesting that an Essex County librarian be appointed to a panel discussion to be held at the Ontario Library Conference in Hamilton in May. Mrs. Reume was asked to serve on the panel, the topic of which was to be entitled, "Ways of making the library a part of the community." Mr. R. M. Holman, newly-appointed librarian of the Leamington Public Library, was welcomed by the librarians. Mr. Holman agreed to prepare a display of a new method of book repair for the next meeting which will be held during March in Amherstburg.

At the close of the meeting, a social hour was enjoyed with Mrs. Willard Morris of Tilbury assisted by Mrs. W. G. Wootton, of Tecumseh, pouring tea. Mrs. Fred Levergood, Mrs. Flora Saville, Mrs. William Houghton and Mrs. Frank Perkins assisted in serving.

Ladies Bowl Against Husbands

Two teams of the LaSalle ladies 19-pin bowling league invited their husbands to bowl against them last Sunday afternoon. The husbands left the bowling alley with very long faces, because they had been beat, and beat bad. However, the husbands cheered up later when they arrived at Coopers for a pot luck supper and an evening of card playing and games, which were so much enjoyed by the men and women who attended this party as to what fun they had, that perhaps we could get them to publish the games that were played. The party included Mr. and Mrs. A. Reume; Mr. and Mrs. N. Reume; Mr. and Mrs. N. Menard; Mr. and Mrs. J. Renaud; Mr. and Mrs. E. O'Gorman; Mr. and Mrs. H. Cooper; Mr. and Mrs. A. P.T.A. Sees Film on Northern Missions

Members of the Sacred Heart Parent-Teacher Association were fortunate in having Father Quinn, of Ottawa address their meeting on Wednesday evening, January 14 at the school, and to watch a number of films and lantern slides based on missionary work in the northern regions of Canada.

One film dealt with the training of young men entering the priesthood and how their life is spent in the seminary, and in line with this film, Father Quinn spoke to the group explaining in full detail the training period which student priests go through.

The slides shown depicted scenes of the missionary posts set up in regions beyond the Arctic Circle for the benefit of native Eskimos and Indians.

Two members of the Windsor Junior Chamber of Commerce, Mr. Liddy and Mr. Poisson also addressed the gathering, explaining the X-ray clinic to be set up in LaSalle on February 23.

This clinic will be established throughout the Windsor district under the supervision of the Windsor Jaycees, for the benefit of X-raying all men, women and children free of charge.

This nation-wide program, partment of Health, was begun five years ago, but at that time, residents of LaSalle were not included in the examination for tuberculosis.

This year, however all persons in LaSalle, Roseland and Amherstburg will be given the TB X-ray at no cost on this part. Mrs. Albert Reanne has been appointed to head the publicity committee, and she will also assemble groups for distributing pamphlets explaining the clinic.

St. John Ambulance Corps

The St. John Ambulance Corps, LaSalle Div. No. 445, will have headquarters on the Front Road, in the basement recreation room in the home of Mr. and Mrs. Eugene Gignac. Mr. Gordon Spink has been appointed Divisional Superintendent and Mr. Mike Bergeron as ambulance superintendent. Dates of meetings will be announced later. Additions will be made to the present membership and any persons interested in joining the brigade are cordially invited to attend the opening meeting—watch for the date. The St. John Ambulance Brigade is an essential organization in every community, rendering free service in case of emergencies. The public should be anxious to back it up 100 percent. It only means giving of your time, there is no cost entailed. There is no doubt that the absence of Mr. Ernest (Pops) Bergeron, after his death, is the reason for the disorganized state of the Brigade up until the present. However, now that new leaders have been appointed who are willing to give of their time, this unit should regain its popular rank.

LaSalle Council Meets Feb. 2nd.

The next scheduled meeting for LaSalle Town Council is on Monday evening, February 2, in the Council Chambers, of the Town Hall, starting at 8 p.m. The public is invited to attend, and any persons wishing to consult council with a problem or difficulty is asked to send a request in writing to town clerk, Mrs. Sylvia Dupuis.

The death of the Hon. Joseph Gustave Lacasse, B.A., M.D., L.M.C.C., was a shock to the community. Senator Lacasse was well known here and will be missed by many who came in contact with him. He was in great demand as an orator. He spoke in French and English fluently, and was a great advocate of the French Canadian tradition. Mayor Sid Arbour, of Tecumseh, proclaimed a half day of mourning for Senator

HAROLD, a two-headed water turtle found by a fisherman near Morgan City, La., is compared here in size to a silver dollar. Harold's life is one of confusion because each of his heads controls two of his legs. When one head wants to snore, the other might want a choice morsel of food. The result—Harold crawls around in a circle. Dr. William O. Sadler, biologist at Mississippi College, in each head has independent action and controls one side of the body.

"Love's," says HON. DOUGLAS A. ABBOTT, Minister of Finance, as he picks up a shiny one-cent piece after striking the first Canadian coin bearing the profile of Queen Elizabeth. He was presented the coin by W. C. B. Brown, master of the mint. The new coin will be in the hands of all chartered banks and ready for distribution early next month. The workman with Mr. Abbott is BERNARD SEGOUN, of Ottawa.

County Library
Board Reviews Year

Reeve Willard Morris of Tilbury North, expressed to members of the Essex County Library Board his appreciation of their co-operation during his term of office as chairman at the board's final meeting on January 14. Mr. Morris commented that he had always been able to depend on the members attending meetings and giving careful consideration to the important decisions made for the County Library during 1952. Mr. W. G. Wootton of Tecumseh, presented his financial statement for the past year showing a total expenditure of \$13,732.30, of which \$4,166.04 had been spent on the purchase of new books.

Mrs. R. L. McCormick outlined in her report to the board the possible expansion of library service which could be made in 1953 if there were another professional librarian employed by the board stressing particularly the work which could be done by a second librarian, who, with the librarians in the county on their programs with children and with the teachers in the rural areas in establishing more direct contact of the children through personal visits to the schools.

The County Library Board decided to advertise for an assistant librarian and for a clerk-typist, the latter position to be considered temporary of at least three months' duration. The resignation of the Riverside Association Library from the County Board was accepted, which became effective December 31, 1952.

Mr. Wootton presented the proposed 1953 budget and following discussion of this budget, the board authorized to present the amended budget to County Council at their January session.

Mrs. McCormick reported that she was to attend a public speaking contest in Kingsville on January 23 and accept the invitation from the Teachers of Gosfield South to present to the winning pupils the prizes donated by the Gosfield South Township Council.

It was decided that the secretary should call the first meeting of the incoming Library Board on Thursday, January 29.

Indian Hunter

AIRCRAFTMAN REG. JOHNSTONE, a Chippewyan Indian from Cape Croker near Owen Sound, Ont., killed enough game to keep nine men in food for 30 days during an RCAF winter bush survival course 160 miles west of Edmonton. Using only an ax, hunting knife, gun and arrow, Johnstone, 25,

made this crossbow and set of steel-tipped arrows. His instructors said the Indian was an excellent hunter and hunter-baiter with a crossbow. The record book is a part of the true collection.
