OFFICERS OF ADMINISTRATION

Director of Extension

Rev. Edward C. Pappert, C.S.B., Ph.D.

Extension Secretary

Margaret G. Thom (Mrs.), B.Comm.

Clerk:

Marjory M. Fryer (Mrs.)

ENTRANCE REQUIREMENTS

First Year:

An average of 60% on nine Grade XIII papers is recommended and admission may be granted on this factor alone provided the proper subjects are chosen (see below).

Arts: English (2 papers), another language (2 papers); and either: Mathematics (2 papers) or a third language (2 papers), and any other 3 papers;

or: Music and any other 4 papers.

APPLICATION AND ADMISSION

New Students:

Prospective students should request an application form from the **Admissions Office**. When this application and all records of previous education (high school transcripts, university transcripts, and teaching certificates) have been received, the application will be presented to the Committee on Admissions. No action will be taken unless all documents are on file in the **Admissions Office**. To ensure early notice of acceptance, students are urged to complete their application as soon as possible.

After June 1, no applications requiring special consideration will be accepted.

The student will be notified of the Committee's decision, and if accepted will receive a Permit-to-Register which **must** be presented at the time of registration.

Former Students:

Students who have not been registered at the University of Windsor during the preceding calendar year must notify the Extension Office of their intention to register prior to June 15.

REGISTRATION

MAIL:

Registration by mail is possible only to those former students who are certain which subjects they are going to take. To register by mail, use the form provided on the last page of this brochure.

Registration by mail may not be made after June 15th.

When registering by mail, make cheques payable to the University of Windsor. Unless the cheque in the correct amount accompanies the registration forms, it is of no advantage to register by mail since the forms cannot be processed without the cheque.

LOCAL:

Residents of the Windsor area must register on Saturday, June 26 from 9:00 a.m. to 12:00 noon.

OUT-OF-TOWN:

Students who come from outside the Windsor area must register on Monday, July 5 from 10-12 and 1-4.

LATE:

Students who register after these dates will be charged a late registration fee of \$5.00.

PLACE:

Registration will take place in the basement of the University Center.

NOTE: No student may register after July 8th under any circumstances.

FEEES

Full Course	\$95.00
Half Course	\$47.50

* Non-resident students pay an extra charge of \$10 per hour of instruction.

Language Laboratory fee	\$10
Science Laboratory fee	\$30
Fee for evaluation of transcripts.....	\$10
Room and Board—Double occupancy	\$135
Room and Board—Single occupancy	\$150

* Applies to all foreign students except those whose parents have taken up residence in Canada.

Courses numbered in three figures are honors courses. Instruction in these courses will involve extra periods and will therefore be assessed an additional fee of \$15.00, bringing the total for these courses to \$110.00. This also applies to those students who have permission to take pass courses at the honors level.

RESIDENCE

Residence facilities for both men and women are available according to the above schedule. Students desiring residence facilities should contact: Director of Residence, University of Windsor, Windsor, Ontario.

GENERAL INFORMATION

N.B.—All courses listed in bulletin will be given regardless of number of registrations.

SUMMER COURSE LOAD:

Two full courses or the equivalent in half courses is the maximum permitted any student in any one Summer Session. A student who is employed may not attempt more than one full course or two half-courses in any one Summer Session. Students enrolled in a Science or an Honors course may enroll in only ONE subject in the Summer Session.

TRANSFER STUDENTS:

Of the 17 courses (beyond Grade XIII) necessary for the general B.A. degree, the University may accept a maximum of 12 courses by transfer from another approved university or college, provided such courses are comparable in content and weight to courses given at the University of Windsor. No more than 6, however, of these 12 courses may have been completed by correspondence.

At least two of the subjects constituting the student's major must be taken at the University of Windsor, regardless of the number of such subjects the student may have completed elsewhere.

TRANSIENT STUDENTS:

Students who are regularly enrolled at other universities but who wish to take summer courses at the University of Windsor are required to have the permission of the Registrar of their home university **IN WRITING**. This permission must state the exact course which is approved, and must be on file in the Extension Office before registration day.

TYPE "A" STUDENTS:

Students wishing to take courses towards a Type "A" Certificate from the Ontario College of Education are advised to get the approval of O.C.E. **IN WRITING** before registering in any course.

WITHDRAWAL AND REFUND POLICY:

Students who are forced to withdraw from a course or from the University, are required to notify the **Director of Extension and the Bursar IN WRITING** and to give their reasons for withdrawal. Notifying the instructor does not constitute official withdrawal from the University. This must be done in writing or in person, not by telephone.

All tuition refunds shall be made entirely at the discretion of the University.

The portion of the fee refunded is determined by the date of application for refund — **NOT THE DATE OF WITHDRAWAL**. If the application is made during the first week of classes, a refund of 80% will be given; during the second week, 60%; during the third week, 40%. After the third week no refunds are available.

Checks for refunds will be available only four weeks after withdrawal from Summer School classes.

CHANGE OF COURSE PROCEDURE

Once a student has registered, he may not change his course, or add or drop subjects without the permission of the Director of Extension. The fee for change of registration is \$2.00.

REPORTS:

Every effort will be made to mail the reports as soon as the marks have been received from the instructors and entered on the permanent records. Please do not enquire by telephone since no marks will be given over the phone.

PARTICULAR REGULATIONS FOR ARTS PROGRAM

1. The general course leading to the Bachelor of Arts degree consists of 17 courses beyond the level of Grade XIII or Preliminary Year, selected in accordance with the regulations given below:
2. Every course program must include a sequence of **five** courses constituting a major or field of concentration,

a sequence of **three** courses constituting a minor, and **nine** electives. These 17 courses are normally distributed as follows:

I Year (6 subjects):	1 major	1 minor	4 electives
II Year (6 subjects):	2 major	1 minor	3 electives
III Year (5 subjects):	2 major	1 minor	2 electives

An exception to this distribution is made for students who wish to major in Mathematics; such students will select two subjects in the major field in First Year, and only three electives.

3. **Major Requirements:** A major consists of a sequence of five courses in one subject, as approved by the department concerned and outlined in the description of the course programs.

In selecting his subjects in I Year, the student should include the subject appropriate to the major he wishes to undertake; the final choice of the major field, however, need not be definitely determined until the entrance to II Year.

4. **Minor Requirements:** A minor consists of a sequence of three courses in one subject other than that of the major.

5. **Electives and Required Subjects:** Electives are subjects selected from fields other than those of the major and minor.

In every course program, the following subjects must be included among the electives beyond Preliminary Year if not already included in the major or minor: English 15; Philosophy 15, Language 12; one course in Theology, or Philosophy 22; one course in one of the following Social Sciences: Anthropology, Economics, Geography, History, Political Science, Psychology, Sociology; one course in a Natural Science or Mathematics. Students are advised to include as many as possible of these required subjects in their First or Second Year.

NOTE:

In planning their selection of courses, students are reminded that they may not take courses which are more than one year in advance of their status. e.g., A student who has not completed all necessary courses in first year may not select courses from third year.
