PREFACE

The Publishers, in presenting the 1919-20 City Directory of Windsor, Sandwich, Walkerville and Ford, heartily thank their many patrons for their generous support. Combining the Four Municipalities in one, the alphabetical section of the directory should enable the many directory users to find the names they look for more readily.

The number of names in the Directory is 18,176, which, multiplied by 2 3/4, the usual figure used by Directory Publishers, gives a combined population of 49,984 for Windsor, Walkerville, Ford and Sandwich. The Directory has increased about 40 pages.

THE PREMIER TRUST COMPANY

Incorporated by the Government of Canada
to act as

EXECUTORS, TRUSTEES, ADMINISTRATORS,
ASSIGNEES, GUARDIANS, ETC.

You benefit your Estate by appointing this Company your Executor and Trustee. The system of entrusting estates to the care and management of individuals is wrong in principle and dangerous in practice. It is being discarded everywhere in favor of the sounder, safer method of appointing a Trust Company as Executor, because the Trust Company

is a responsible body,
has a permanent existence,
is familiar with investments,
will not defalcate,
is never absent or engrossed with conflicting affairs,
is restricted by the Court to sound, legitimate investments,
brings to each problem the mature judgement of many keen, experienced men,
ever costs more, and usually less than allowed an individual.

Whether your Estate involves one hundred or one hundred thousand dollars, it is equally important that it have the many advantages of a Trust Company as Executor or Administrator.

Ask for our booklets "The Business of a Trust Company," "Have you made your Will?" "Important to You."

We have purchased the WINDSOR BUSINESS COLLEGE from Mr. A. J. Cadman, who conducted it so successfully for the past sixteen (16) years.

We are here because we believe that there is no better city anywhere.

We have had years of experience in our chosen work. We have trained upward of 6000 young men and women for Commercial positions.

For fifteen (15) and thirteen (13) years respectively we have been in charge of the Commercial and Shorthand Departments of the Canada Business College, Chatham, Ont.

We are going to run a Commercial College of which the Border Cities will be proud. We realize the greatness of the task and also the credit which must come from the work well done.

Hundreds of our students are in the best positions in the Border Cities and Detroit. They will tell you of our ability to teach and manage a good Business College.

J. E. CAUSGROVE,  
Principal and Penman.

MISS F. SURBY,  
Prin. Shorthand Dept.

HARDWOOD FLOORS
are beautiful, economical, durable, healthful and labor saving. They are the common-sense answer to the floor question.

RATHBONE OAK VENEER FLOORING
can be put down perfectly by any carpenter or by the man of the house if he is handy with tools. Being only three-eighths of an inch thick it is light and easy to handle, and even with strenuous wear it will last longer than the house itself.

WRITE FOR FOLDER
Write for free folder which gives full particulars. State size of your room and we will quote you cost of flooring in quarter-cut white oak, plain red oak or birch.
