# THE TOWERS

*dedicated to the*

*Graduates of 1959-60*

# PRINCIPAL'S MESSAGE...

L. F. McGEE

Among the many responsibilities assumed by students in a Secondary School none is more demanding than the publication of the annual Year Book. I do want to congratulate the students concerned and their staff advisers on this product of their efforts. If the task has been onerous I know that it has also been rewarding.

This edition of The Towers is the first produced by the W. D. Lowe Technical School as an all-male student body. The absence of the staff and students of the Commercial Department is reflected in the content of this Year Book as in all aspects of our school life. While we miss them we are delighted to hear reports of the splendid success at the High School of Commerce of those who, a short year ago, were our colleagues.

To all students this edition of The Towers will be a review and a reminder of the activities of 1959-60. I hope that in the years ahead you will remember this as a happy and profitable year.

To those of you who will be our Graduates of 1960 I want this page to carry a special wish—your continued success and happiness.

L. F. McGEE, Principal

# A Message from . . . THE ACADEMIC DIRECTOR

W. A. MALKIN

To the Graduating class I offer my congratulations and best wishes for a successful career in your chosen field. Through your ability, application and say, a little luck, you are joining the thousands of Tech Alumni.

To the graduates of the future, I urge that you take full advantage of the opportunities offered here. Take an active part in at least one extra-curricular activity—but remember that your studies must have first priority on your time. The habits you develop when you are young continue all your life. Develop the habits of courtesy, cooperation, punctuality, regularity and dependability. They will help your progress and make life so much more pleasant for you and your associates.

W. A. MALKIN

---

# THE TECHNICAL DIRECTOR

C. C. FISHER

Our dictionary defines the word "reward" as a "recompense or return".

In just a few weeks' time, many of our graduates will leave our school to fill positions in the industrial and business world. For several years after graduation very little will be learned about them. Then gradually they will come to our attention, not as graduates but as skilled mechanics, foremen, technicians, business men, and perhaps as new teachers on our own staff.

It is with considerable pride and satisfaction that we, the Staff, see our Graduates step into these positions of opportunity and responsibility. At that moment we share with you the feeling of satisfaction and pride in a task well done. You are living evidence of our success as well as your own in this work of education in democracy. To watch our students develop and progress in their chosen work is the teacher's highest reward and compensation.

To our Graduates we wish every success in your chosen field of endeavour. And we shall look forward to a visit from you sometime in the future.

C. C. FISHER

# STAFF MEMBERS

FRONT ROW (left to right): Mr. McManus, Mr. Dickson, Mr. Cole, Mr. Malkin, Mr. McGee (Principal), Mr. Barnes, Mr. Fishwick, Mr. Hogan.  
 SECOND ROW: Mr. Lawson, Mr. Neely, Mr. Buie, Mr. Nepily, Mr. Phillips, Mr. Baird, Mr. Harrison, Mr. Fersht, Mr. Nixon, Mr. Adsett, Mr. Weir, Mr. Gillies.  
 THIRD ROW: Mr. Fisher, Mr. Sherman, Mr. Flagler, Mr. Aitchison, Mr. Farr, Mr. Neilson.

# What's ahead for *you*, young lady?

Are you continuing your education? Are you planning a career in business? If you are graduating this year, and thinking of a business career, we invite you to consider The Bell Telephone Company of Canada.

The Bell can help you select a career suited to your personal interests. You will receive job training and company courses of instruction in many important fields. You earn a good salary as well, and you help to maintain a public service essential to your community.

*If you are looking for permanent employment,* why not drop in at The Bell now and find out more about the opportunities in this important service.

*If you are continuing your education* you will be interested to know that Bell has splendid opportunities for you when you graduate from college. Keep us in mind, won't you?

# Focus...

## on your Future

Before you decide on your vocation, it will pay you to read about what a career in banking has to offer you—its opportunities and benefits. Simply drop a line to the Staff Department, Bank of Montreal, P.O. Box 6002, Montreal, and ask for a copy of "Career Opportunities at Canada's First Bank". If you prefer, you can call in at your nearest branch for a copy. There is no obligation, except to yourself.

# Pure Automobile

*the all-new ones from  
Chrysler of Canada for 1960*

## Surrounds you with silent strength

**Unibody construction gives  
twice the torsional strength  
and 40% more beam strength**

Here is a family of cars built a whole new way—the 1960 cars from Chrysler Corporation. We call this new construction Unibody because body and frame have been designed into a single, solid unit.

Gone is the old concept of a body and a frame held together with nuts and bolts. In the 1960 cars from Chrysler Corporation the new, all-welded body gives you a car with twice the torsional strength and 40% more beam

strength than cars made the old way.

And also gone, with the nuts and bolts, are a surprising number of squeaks and rattles. These cars ride so quietly they sound and feel like they're going 10 miles per hour slower than they are.

Pure automobile—built stronger to last longer. And styled in quiet good taste to look good longer, too. Simple facts that mean these cars will bring many dollars more whenever they're sold or traded.

Stop in soon at your neighborhood dealer's and get acquainted with the all-new ones for 1960. Let a drive bring out the difference great engineering makes.

# EDUCATION

*preparation for the work of life*

Ford of Canada encourages young people in their search for education. Over the past six years, 36 university scholarships have been awarded to the sons and daughters of employees. The young men and women chosen may select any approved college or university in Canada. Ford of Canada also helps support a number of youth programs including the Canadian Council for 4-H Clubs. To stimulate creative talent and fine craftsmanship, the Ontario Student Craftsman's Fair selects the projects entered by Ontario students in the Industrial Arts Awards sponsored annually by Ford Motor Company. Teaching aids and educational motion pictures are made available to Canadian schools. In addition, Ford of Canada Dealers in many communities participate in High School driver education projects. We are proud to be associated with many educational activities, because we believe that a sound education is the best preparation for the challenges and opportunities of the future.

## THE SOCIAL COMMITTEE

The Social Committee was organized on September 22, 1959. Mr. E. W. Walton, who was in charge of the Social Committee last year was reappointed by the Principal for the same position. To help with the supervision, Mr. Dickson was also appointed. In the first meeting, which was attended by fifteen or more members, the executive was elected. They are the following: Chairman—John Piccirilli; Treasurer—Frank Ryan; Secretary—Wayne Grenon; Sub-Committees: Refreshments—Wayne Montgomery; Checking—John Hatnean; Door—Frank Ryan; D. J.—John Piccirilli; Advertising—Jack White.

The aim of the Social Committee is to plan and supervise dances held by the school in the main gymnasium. The committee held their first dance on October 16, 1959 which was well attended. In addition, the committee also held dances after the home basketball games, which drew a crowd of approximately 300 students every time. To add to the success of these dances, new records were purchased.

The most important responsibility was the planning and labour incurred in the preparation of the Commencement Exercises. Since we do not have girls at our school we invited members of the Social Committee of Commerce High School to aid us for that evening in decorating the gymnasium. After the ceremonies were finished the graduates were led to the gymnasium.

The committee members then proceeded to serve the refreshments to the graduates. Entertainment was provided by an orchestra from our school, and is called "The Techniques."

The Social Committee climaxed the year's activities by staging the largest dance ever held at W. D. Lowe. It was called the "Shamrock Rock", with students from every high school in Windsor filling the gymnasium to capacity.

The Social Committee was most successful and could not have achieved all that they did, without the help of the principal and staff, and to them we extend our most sincere thanks for their help.

## FIRST PRIZE SENIOR

Tony Sirianni—11C

### WHAT IF —

What if the stars all stopped to shine  
And the night was no longer divine.  
Would the sighs of true love dwindle,  
Just because the stars don't shine?

What if the birds all stopped to sing  
And seasons thus, lacked everything,  
Would the joy of life just crumble  
Just because the birds don't sing?

What if the tide should fail to flow  
In its movement to and fro.  
Would seas become one stagnant pool,  
Just because the tides don't flow?

Ha! but the stars and birds are guided  
By the mighty hand of God,  
And the tide's fresh flowing, ebbing,  
Move precisely at His word.

## FIRST PRIZE JUNIOR

Don St. Louis—T9E

### THE LITTLE HOUSE

It lies among the thousand streets  
Where every day we stalk,  
But only city noises fill  
Its vaults where none can talk.

Great buildings loom above its roof  
White fences 'round it goes,  
And over it the city dust  
In grimy wave-lets blows.

Inside the house the worms have fed  
The bones are lying trim,  
The flesh and tissues all have gone  
From skull to lower limb.

It's dark inside the little house,  
The rooms are very glum,  
The walls at night are very cold  
But one day, light will come.

## SOUNDS DURING AN EXAMINATION

by Ron Mayville—TK

It was planned and ready to be tried. The most daring crime was to be pulled in 9-b. We were going to do this because we hadn't studied for the test. The teacher walked in and said "Boys". His voice sounded like a trumpet. "Today we will have an examination and there is to be no talking or cheating." He sat down and said: "You may begin." On the last word papers rattled and pens scratched over them with earth shattering sounds. I was just starting to answer my first question when I heard a loud scratch and tap. Bob had started our crime. He was asking me the answer to the first question in Morse Code. I took a look at my paper. I said to myself: "Was my answer right?"

I thought for a second, sent my reply with a clicking and scratching sound just like a telegraph operator. "His name is Davey Crocket," was my reply. After my scratching and tapping was over, another tapping came in. It read: "It wasn't Davey Crocket; it was Daniel Boone and I want you two boys to see me after three. I looked up, the teacher had a big grin on his face.

With a sigh I went back to work on the test. I was aware of what was to happen; I did finish. I would flunk and get a detention.

### EDUCATION AND WHAT IT MEANS TO ME

Frank Ryan—12D

To me, education does not mean just twelve hard, necessary years of schooling with teachers ready to pounce on you the minute you do something wrong. Nor does it mean that I am thinking as I go through school: "Well, only three, two, one more year and then it will be all over with." People who go through school with this attitude, go for the following reasons:

- (1) Because they have to go. Their parents will expell them out of the house if they do not remain in school.
- (2) Because they get free room and board. This reason ties in with number one fairly closely, but does not really coincide to a great extent. Their parents may not evict the sons from the premises but they will make them pay for their food, clothing, shelter, etc.
- (3) Because it gives them something to do. The unemployment situation at this time is very grave, and being in school gives them a warm place to stay on a cold winter's day. They figure it is better than standing on a street corner doing nothing, while their parents will probably be thinking that they are out looking for work. They do not realize that they are wasting the taxpayer's money, the teacher's time, and their fellow students' time.

- (4) Because it is easier than putting in a full day's work, if he can get it, in some factory or shop. If he is a person who likes to waste time, such as situation No. 3, then he wouldn't last long on a job anyhow.

In my opinion, a person cannot get enough education. Today, if you do not have at least a high-school education, you are turned down at every place you seek employment. You may get a job digging ditches or putting a cover on a bottle as it goes by on an assembly line. These jobs don't even require skill, let alone education. But, if this is the type of work you want to do, be patient, for there are many names on the lists ahead of you.

Education is a vital thing if you want to get along in this world. I know that in quite a number of cases it is not possible to continue your education after you graduate from high-school, but I must say that if a person is desirous enough, and has enough grit, he can find a way to work and continue his education at the same time. It is hard, but if a person tries hard enough, he can make it.

But I am trying to impress upon you the advantage of getting your education now, while it is the easiest possible time, and getting as much of it as you can, for you will find that later on the old phrase will rebound and haunt you, "Boy, I wish I had gone right through school, while I had the chance."

## 1st Prize Senior Short Story . . .

### THE GHOST

William Hum—12D

Away back in the nineteenth century, in the countryside of a certain town there stood an ancient house. It was a large, elaborate house belonging to a rich merchant who had gone overseas for the purpose of trade. So this large house contained merely a mistress and her only daughter and a number of servants.

Most people of this town, when seeing this ancient house, had a peculiar thought in their minds. They considered that it was something mysterious and strange, and some day something would happen to it.

At last, something really happened and the news spread that a ghost was haunting that house. The whole town was aroused by this terrible yet interesting news.

They gathered together in the streets and discussed with their neighbours, or went near the haunted house and asked the servants about it.

They were told that every night that household could hear footsteps trotting down the stairs and sometimes a ghost would appear in a white dress, with long hair, and then disappear as quickly as a flash. It was so horrible and frightening that even their mistress and her little daughter decided to leave the house. The servants were even more terrified. They did not dare to go around the house alone. Whenever they wanted something, they would go in a group, afraid that the ghost would come out.

Continued on next page

At last, as the mistress was at a loss to know what to do, she telegraphed the merchant to come back. In spite of the vivid descriptions of the ghost which he heard, the master would not believe the story and thought that it was too absurd. So that night after his arrival, he decided to see the ghost himself.

As the night came, this brave man carried a gun and hid under the stairway to watch the appearance of the ghost. All around the house was the jet-black darkness and not even a light was lit. The wind blew fiercely as it passed through the plants and trees; it made a most horrible hissing sound as if it was the screaming of some elf. Together with the rustling of the large glass lamp hanging from the ceiling, it made a most horrifying duet that made one's hair stand up.

One o'clock, two o'clock, and as time passed there was not even a trace of the ghost. The merchant laughed to himself and decided to go to sleep. Suddenly something was going to happen and he heard someone tramping heavily on the stairs with even but slow steps. The merchant, though he was quite frightened by that time,

gathered all his strength and courage, and holding the gun, he prepared to come out and shoot the ghost. But it was too late; as he came out from the hiding place, he saw a terrible scene. The ghost was coming towards him. He saw a figure, all dressed in a white long gown, with long hair covering her face, and having her arms stretching out as if she was going to clutch her prey.

The merchant was sore afraid and seemed paralysed and could not have the strength nor voice to speak. As the ghost came nearer, he dropped his gun and it made a big noise. Just then the ghost stood still as if she had been awakened by the sound. When everybody in the house came down to see what had happened, he discovered that the ghost was merely the housemaid who had the habit of walking in her sleep.

After that, everything settled down, and his house was no more regarded as a haunted house or a mysterious building. But the merchant decided to have it repaired and repainted so that it would look brand new and lively instead of giving other people a feeling of terror or isolation.

## FOOTBALL

FRONT ROW (left to right): Tom Awad, Alfeo Povoledo, Roger Awad, Wayne Pestru, Mr. Ryan, Mr. Edwards, Don Merrifield, Hugh McLellan, Ron, Larry Schroeder, Wayne Logan.

BACK ROW: Roger Deluca, Doug Inglis, Dave Lovell, Jim Ouellette, Jim Zacher, Don Harrison, Nestor Klem, Frank Peralta, Ron Salasso, Ed North, Don Montforton, Bob Porter, Gerald Lapensee, Frank Dotterman, Jack Cadman, Vic Cousineau, Paul Laframboise, Don Matthew.

ABSENT: Ron Little, Ed Bechard, Pat Endo, Bill Smith.

Another year of football is completed and the Lowe Roughriders were under-manned, but under the expert guidance of Mr. R. Ryan and Mr. R. Edwards, we made a good showing by making the semi-finals.

Practice started early in Autumn and the first game came even earlier, on September 25 against Walkerville. This was our first victory; then followed two losses against Patterson and Assumption. Forster and Herman then fell prey to us. Kennedy dealt us our final defeat in the regular series. The Play-offs were then delayed one week because of rain. The day of the play-off was cold and the field was frozen like a rock. When the game was over, the weather was much colder. Assumption then went all the way to winning the city championship.

We had the material for a championship team in Ron Little, Don Merrifield and Tom Awad who made the first string All-City and Jim Zacher, Len Bertelle and Roger De Luca made second string, and receiving honorable mention was Don Harrison.

Ron Little received the trophy for the most valuable player and Hughie McLellan received the award for the most improved player.

Here's my thanks to the coaches, along with the rest of the team, for their hard work. I am sure if more come out and stick it out the coaches will be rewarded with a championship team next year.

Jim Ouellette

## GYM TEAM

LEFT TO RIGHT: Richard Skinner, Gary Campeau, Mr. B. Newman, John Owen, Wayne Fenn.

### SOCCER

FRONT ROW (left to right): Mike Ristivojevic, Luciano Cassano, Mike Guarino, A. B. Harrison (Coach), Reinhold Knoll, George Georgiv, Bert Vernhout.  
 BACK ROW: Robin Meyrick (Manager), Nino Medoro, Joe Borg, Frank Pavicic, Mario Zanet, Frank Meret, Bob Borg, John Santarossa, Dominic Sbrocca.

The 1959 soccer team did not appear as strong as in previous years. It had been hard hit by the graduation of such stalwarts as Rudy Graf, highest scoring forward ever to play in WSSA, and Mike Lutsch, a solid defence player. Furthermore, little Charlie Smith was lost to the squad via the eligibility rule.

Nevertheless, the team went through the regular schedule undefeated, although they did have a couple of close calls when they were held to scoreless ties.

For the first time in soccer, a single schedule was played and the four top teams qualified for the play-offs. W. D. Lowe was matched with Kennedy in the semi-finals. On a greasy field at Jackson Park, Lowe forged into a 2-0 lead before Kennedy countered with a single in the third quarter. In the fourth quarter the Lowe team ran out of gas, and a fired-up victory-hungry Kennedy team scored twice to eliminate Tech from the play-offs.

If any bouquets are to be thrown in the direction of the soccer team, they should fall to George Georgiv, who developed into the main scoring punch of the team, and to Dominic Sbrocca, who played a solid two-way game on the half-back line.

### JUNIOR BASKETBALL

FRONT ROW (left to right): J. Czachor, H. McLellan, J. Murray (Coach), M. Baggio, M. McLellan.  
 BACK ROW: J. Zacher, (Std. Mgr.) R. Ingram, W. Farfonich, D. Talbot, R. Trudell, J. Ouellette (Std. Mgr.).

### SENIOR BASKETBALL

FRONT ROW (left to right): Lynn Sadie, Paul Dale, Dave Brooks, Mr. McLean, Tom Awad, Roger Awad, Alf. Povellette.

BACK ROW: Jim Zacher (Mgr.), Wm. Cunningham, Dave Hebert, Bill Beiko, Bill Dowhaniuk, Al Szawara, Doug Inglis, John Mattiuz, Jim Ouellette (Mgr.).

This year's Senior Basketball Team showed lots of hustle and teamwork but lacked early season experience. If they had played as they did in their final two games they would have been play-off contenders.

Leading the team in floor play, Captain Tom Awad inspired the team spirit shown in every game. Dave Brooks lead in points and rebounds. Both Tom and Dave were top selections for the second All-City Basketball Team. We wish them well in their next year's pursuits and want them to know we will miss their effort.

Also graduating will be Al Szawara and Bill Beiko, two clutch players who gave a good account of themselves when called upon.

Next year's team will have Alf Povellette, Paul Dale, Roger Awad and Doug Inglis back with first string experience as well as Dave Hebert, Benny Evola, Lynwood Sader, John Mattiuz and Bill Cunningham who gained experience while seeing limited action this year.

Special thanks go to Jim Ouellette and Jim Zacher who looked after the team management very efficiently.

#### SENIOR HOCKEY

FRONT ROW (left to right): Don Matthew, Armand Rock, Jack White, Richard Westlake, Vic Cousineau, Gary Sandison, Doug Vollans, Gary Adams.  
 BACK ROW: Joe Tomc, Larry Twigg, Paul Diotte, Art Hellman, Mr. Philchuk, Glen Dennis, Gary Fenton, Dominic Svbrocca, Gary Hogge.

The Hockey Team of the W. D. Lowe Technical School was practically a whole new team and under the direction of a new coach. The coach this year was Mr. Philchuk. The team consisted of the following players: in goal was R. Westlake; the defence consisted of V. Cousineau, G. Fenton, A. Hellman, and J. White; the forwards were: G. Dennis, L. Twigg, D. Matthew, D. Vollans, A. Rock, G. Adams, G. Sandison, P. Diotte, and D. Sbrocca. The team this year did not get into the finals or anything but I believe that after a team had finished playing us they knew that they had played a real hard hockey game. The player that was chosen for the Most Valuable Player award is Vic Cousineau. One thing that hindered our team this year is that it was a whole new team; another thing was the very poor school support at the games. Next year, if more students come out to cheer at the games, I am sure the team will be right at the top of the league. Let's see you next year out at the games!

#### TRACK

FRONT ROW (left to right): Wayne Coleby, Lynn Sadai, Nestor Klem, Wayne Logan, Mr. W. J. Sivell (Coach), Don Merrifield, Hugh McLelland, Dave Brooks, Joe Borg.  
 BACK ROW: Pat Endo, Roger Stocco, Al Szawara, Don Harrison, Roy Yoell, Gordon Dick, Len Alexander.

#### MILE RUNNERS

FRONT ROW (left to right): Larry Hyttenrauch, Mr. W. J. Sivell (Coach), Alan Dawes.  
BACK ROW: Robert Ridley, Eugene Kersey, Charles Dent.

#### GOLF

The W. D. Lowe Golf Tournament was held Monday, September 21st, 1959 at Little River Golf and Country Club. Due to Kennedy Collegiate having their tournament the same day and being first at the tee, our boys did not get under way till about 2:00 so we did not finish till 6:30. The weather was sunny, warm but windy, so the scores were rather higher than usual.

In the Junior Division three boys participated—Terry Danyluk, 11B—101, Garry Shreve, T9E—101, Dick Ingram, 10A—109.

The first two were tied for low scores. Two extra holes were played, Terry Danyluk being the winner. He wins the Harry L. Ord Memorial Trophy.

Eight boys participated in the Senior Division. The results are listed below. Bob Marentette, TS—83. Roger Carey, 12D—87, Jack Fauria, 11B—87, Ed Gerrad, 11A—92, Bob Sherlock, 10E—100, Pat Endo, 11B—103, Lynwood Sadai, 11F—108, Dave Smith, 10H—116.

Robert Marentette is the lowest but as he dropped out of the school's tournament after he had played 11 holes, the championship was awarded to the next who was Roger Carey and he wins the W. D. Augustine Trophy.

Kennedy is the winner and wins the Augustine Trophy for the sixth consecutive year.

### VOLLEY BALL

FRONT ROW (left to right): Robert Legault, Len Sadai, John Mattuiz, Dave Hebert, Gordon Neilson.  
 BACK ROW: Bill Farfanick, Paul Dale, Dave Brooks, Gary Garton, Gary Hogge.  
 ABSENT: Frank Boudreau, Bob Forshaw.

Without any holdovers from last year's champions, the volleyball team had to fight its way with an all new squad. They fought hard all season, came close, but failed to win a match. Their first game was a victory against Patterson and their last against the High School of Commerce. But they were unable to group two victories to win. Ending their season with a victory points the way for next year.

Dave Brooks played a big part in the games with his spiking. Backing him up were Dave Hebert with his driving serves, John Mattuiz and his steady play and Bob Forshaw's returns. Inspiring throughout was Sadai's play, pep and chatter which never ceased to help the team when the going was rough. Rounding out the squad and playing their part were: Gary Garton, Paul Dale, Robert Legault, Gord Neilson, Gary Hogge, Bill Farfanick. The coach was Mr. J. Stefani.

Even so, the team was much better than the records show, and with a year's experience will be out to get that championship next fall.

### BADMINTON

FRONT ROW (left to right): Larry Hyttenrauch, Gary Hogge, A. J. Gillies (Coach), Ronald Ridley, Bob Legault.  
 BACK ROW: John Berglund, Gordon Neilson, Allan Daws, Ken Nield, Lorne Finch, Keith Hopkins, Robert Ridley.

Although this was the first year for boys' badminton in our school, the turn-out was very satisfactory. There were fifteen regularly active members; enough, since only one marked court is available.

The practices were initially held on Thursdays after school in the small gym. After Christmas it became possible to have practices on Tuesdays as well. Before long the group showed remarkable improvement under the guiding hand of our coach, Mr. Gillies.

At the time of writing we are preparing to enter the W.S.S.A. Badminton Championship contests. The team has been selected, and it is hoped that Mr. Gillies, with the help of a new member of the staff, Mr. Coltas, will be able to arrange intensive training. Bill Hum, Larry Hyttenrauch, Gary Hogge, Keith Hopkins, Ken Nield and I will probably represent the school. A number of Grade 9 and 10 boys are coming along fine and should form a good nucleus for next year's group.

Ron Ridley, President
