What the Critics say: “Rampike, edited by Karl E. Jirgens, is a progressive champion magazine of aggressively promoting tomorrow’s fashionable poetry. Ritz! Another pioneer in the vis-po game, Rampike has consistently been a part of diverse adventures in poetry. It is a magazine to intermingle, intertwine, co-habitate and fuse forms, styles, ideas, and a sport to meet new writers... It is hard to find a magazine with such a sophisticated yet narrow, but open program of writing.
