# Voices in Undergraduate Research (VURE)

Plenary Session

---

---

# What is VURE?

VURE is an initiative that brings awareness to the opportunities available for undergraduates to do academic research and creative work. It is equally designed to amplify the voices of students undertaking research and or creative work, with the aim to inspire new undergraduate researchers and build a network with peers and faculty members. VURE is an experiential learning initiative for students led by students.

---

---

# Panelist

This is a plenary session with the following four University of Windsor undergraduate students

1. Anumita Jain
2. Carol Adu-Bobie
3. Noelle Dupret Smith
4. Sydney Fuerth

Moderated by

Samuel Jokodola

---

# Plenary Discussion

---

---

Describe your undergraduate  
research/creative work

---

---

What are the benefits of  
engaging in undergraduate  
research?

---

---

How do you achieve balance in your life as someone involved in undergraduate research/creative work?

---

---

How can the university or  
faculty further support  
participation in undergraduate  
research/creative work?

---

---

Thank you

---
