

Corrigendum: Envisioning the Future of Aquatic Animal Tracking: Technology, Science, and Application

ROBERT J. LENNOX, KIM AARESTRUP, STEVEN J. COOKE, PAUL D. COWLEY, ZHIQUN D. DENG, AARON T. FISK, ROBERT G. HARCOURT, MICHELLE HEUPEL, SCOTT G. HINCH, KIM N. HOLLAND, NIGEL E. HUSSEY, SARA J. IVERSON, STEVEN T. KESSEL, JOHN F. KOCIK, MARTYN C. LUCAS, JOANNA MILLS FLEMMING, VIVIAN M. NGUYEN, MICHAEL J.W. STOKESBURY, SVEIN VAGLE, DAVID L. VANDERZWAAG, FREDERICK G. WHORISKEY, AND NATHAN YOUNG

In the online version of “Envisioning the Future of Aquatic Animal Tracking: Technology, Science, and Application” (*BioScience* 67: 884–896), an incorrect author affiliation appeared. Svein Vagle and David L. VanderZwaag are with the Institute of Ocean Sciences, of Fisheries and Oceans Canada, in British Columbia. Nathan Young is with the Marine and Environmental Law Institute at Dalhousie University, in Halifax, Nova Scotia, Canada.

Robert J. Lennox (robertlennox9@gmail.com), Steven J. Cooke, and Vivian M. Nguyen are affiliated with the Fish Ecology and Conservation Physiology Laboratory in the Department of Biology at Carleton University, in Ottawa, Ontario, Canada. Kim Aarestrup is affiliated with the National Institute of Aquatic Resources at the Technical University of Denmark, in Silkeborg. Paul D. Cowley is with the South African Institute for Aquatic Biodiversity, in Grahamstown. Zhiqun D. Deng is affiliated with the Pacific Northwest National Laboratory, in Richland, Washington. Aaron T. Fisk and Steven T. Kessel are affiliated with the Great Lakes Institute for Environmental Research at the University of Windsor, in Ontario, Canada. Robert G. Harcourt is with the Department of Biological Sciences at Macquarie University, in Sydney, New South Wales, Australia. Michelle Heupel is affiliated with the Australian Institute of Marine Science, in Townsville, Queensland. Scott G. Hinch is with the Pacific Salmon Ecology and Conservation Laboratory in the Department of Forest and Conservation Sciences at the University of British Columbia, in Vancouver, Canada. Kim N. Holland is affiliated with the Hawaii Institute of Marine Biology at the University of Hawaii at Manoa, Kaneohe. Nigel E. Hussey is affiliated with the Department of Biological Sciences at the University of Windsor, in Ontario, Canada. Sara J. Iverson and Frederick G. Whoriskey are with the Ocean Tracking Network within the Department of Biology at Dalhousie University, in Halifax, Nova Scotia, Canada. John F. Kocik is affiliated with the Northeast Fisheries Science Center at the National Oceanic and Atmospheric Administration Fisheries, in Orono, Maine. Martyn C. Lucas is affiliated with the Department of Biosciences at Durham University, in the United Kingdom. Joanna Mills Flemming is with the Department of Mathematics and Statistics at Dalhousie University, in Halifax, Nova Scotia, Canada. Michael J. W. Stokesbury is affiliated with the Biology Department at Acadia University, in Nova Scotia, Canada. Svein Vagle and David L. VanderZwaag are with the Institute of Ocean Sciences, of Fisheries and Oceans Canada, in British Columbia. Nathan Young is with the Marine and Environmental Law Institute at Dalhousie University, in Halifax, Nova Scotia, Canada.
