To fill the place of Frs. Mayland, Mourke, and Forrestal at the College this year are Father Collins and Father Sheridan. Father Beuglet from Texas is stationed at Assumption Church.

Among the recent visitors at the College since the beginning of the year were Father Benson who gave Benediction in the College Chapel on Saturday last and Father Haydon who visited us during the Eucharistic Congress.

Just back from Chicago and from points West and North-where he was celebrating the College Jubilee of his ordination to the priesthood Father E. Murray dropped into the College on Tuesday noon. Looking hearty and as well as ever Fr. Murray was given a great ovation by the boy's who remembered his Jubilee speech here in June. Last week the Tai-Kuhns and the Warriors engaged in a football game. It was a spirited game and drew a good deal of attraction, as it was the initial of the season. These two teams are promising ones to furnish excellent material for our first team some time in the future. Tai-Kuhns were victorious score 12 - 0.

Sunday the Tai-Kuhns met and defeated the strong Crescents of Detroit. The resultant score was 0 - 0. It was a steady game, a struggle from beginning to end. The Tai-Kuhns neared the opponents goal line close to full time and "Spud" Murphy carried the ball through the visitors on a line plunge. The Tai-Kuhns have started the seasons well and have set an objective for the other College teams to aim for. We expect to see this team afford a good deal of pleasure and excitement for our foot-ball fans this year. More power to them.

The College first team is planning to oppose Hillsdale on Satuday. The material at hand is rather young and they could not be called veterans at the game. However every one who has taken notice of the workouts is astonished at their developments as a football squad. This success is due to a great extent to the careful and persistent of their capable coach Father Spratt. We notice especially the ability of Durand, Zott, Hughes, Sheehan and Jaques. Let everyone do their utmost to further the success of our boys. We are quite confident that Assumption will bring home the laurel next Saturday.

Hints from Our Sporting Editor.

The game between the soaks and the Drys was a ding-hummer and an exciting as a negro baptism. Referee Apple was rotten and finally had to be canned. Donkey replaced him, but the crowd rode him all the time that he was on the ice.

Fish in the nets for the Soaks, got along swimmingly, but several drifted by; Hair, the opposing goalie, got all tangled up, whenever Mustard made things warm around his end.

On the Soaks forward, Carter slipped badly but Spice easily made up for this. He played a peppy game - the best of the season. Mustard at centre was also hot stuff.

Some of the wise ones said Onion was green, but he proved the best of the bunch; he put up a strong game, and his hard bodying soon took the heart out of Cabbage. Watch, his partner & went the whole sixty minutes. For the Drys, Cigar was going all the time with lots of smoke but penalties kept him in the box. He was continually giving some one the butt end. His team mates played anything but a clean game. Forger was sent to the coop twice for illegal checks, and Scavenger one of the subs, was responsible for a lot of dirt.

Jupiter was the star of the contest and shone all the time. Corsets was not in his usual form and could not stay. Some of the spectators thought he was tight but the trouble was due to the awful lacing he got from the opposing defense.

Postum and Tooper Cent were the substitutes.

The Omega Gamma Chi Club is to have it's first meeting for the term on Thursday p.m. at 6.45 Belle Lettres class room. All members please be on hand.
