The Blessed Virgin Sodality had its regular weekly meeting in the Chapel last Sunday morning. After the reading of the office by the Sodalists the Moderator Father Rogers gave a short sermon about the Rosary. He very ably outlined the origin composition and efficacy of this most popular prayer and concluded by urging the students to a greater devotion to the Blessed Mother by this means. The meeting was closed with prayer.

"Shag" Shannoness was elected Fire Chief for the Philosophers Flat. Others included on the staff are: Colonel — Fr. Tighe; First Lieutenant — F. Bricklin — Traffic Major — Mr. "Rel", Captain of Horsemen Nelson Zott, Sargent-at-Arms, R. Durand. Private with Distinction "Josh" Woolcott. Janitors Cook and Kelley, Water boy "Red" Gibbons. The chief announces that the regular fire drills will be held every second Sunday of the week or any time there is a fire.

The Omega Gamma Chi Club gave initiation on Sunday last when they compelled Moses, Collins, Hayes and Berry to "Ride the Goat". At times during the ceremony, the trink, each in his turn came up for air but was immediately immersed again. Besides the smoker club this has been practically the only initiation performed among the students. The procession from the class-room to the gym was supposed to have taken place outside but on account of the Sabbath the victims were led through the locker-rooms. Mr. Hayes objected fiercely when the horns of Mr. Nanny (goat) stuck fast in the seat of his pants. Mr. Chas. Ritter our ex-President was a guest of honour and attended the initiation throughout. Any student interested in this club may obtain full particular from "Fritz" Dunne upon request. A large initiation was impossible because of lack of facilities, but another is to be held in the near future.

ASSUMPTION DEFEATED BY YPSILANTI.

On a soggy field and in a downpour of rain at intervals, the much heavier men of the Normal won from A. C. 13-0. Several 20 yard were made by both squads. The game was an exciting one to watch.

Cook was dependable as punter for the Purple and White. The Sandwich boys were scored on just before the end of the first period. In the second period the Green and White line was worked hard as Assumption was advancing rapidly. The visitors although three yards from A. C.'s. goal failed to count.

In the third quarter Crane blocked Cook's punt and recovering the ball ran 10 yards for a touchdown. In the fourth period Assumption threatened but with little success. No count was made during this quarter.

We could easily place each man in the star line-up as all are to be commended. Durand, Sheehan and Murphy were outstanding men in the backfield while Zott and Hurray were the superior on the forward wall.

Sunday the Tai Kuns although slaughtered by the 10% rule succeeded in winning one of the best games on the campus this season by the score of 13-0. Five regulars on this first squad preceded the sidelines with high hopes of being eligible next week. Although out weighed, this did not stop Fr. Canglin's eleven. No count was made in the first two periods. But in the third quarter the attempted punt by the Horseshoes was blocked and rolled behind the A. C. goal, where John Murray covered it for the Tai Kuns first count. The last count was made on a beautiful pass from Petrimoulx to Steffes when there was only five seconds to go before the final whistle.

The Assumption Ninjas defeated the Annunciation eleven here Sunday 12-6.

Attention Student Body:

Captain Zott asked you before the Ypsilanti game to come out and urge on his squad by yelling your best. You did not do it. Some did but the great majority failed. Get behind the team! Don't mind the sore throat YELL!

We play Adrian College here next Saturday. We defeated them there last year and are going to repeat again this year. Boys are you going to help the team?? If so, manifest it by cheering.

"Fritz" Dunne's Philosophy of Life.

Man comes into the world without his consent and leaves against his will. During his stay on earth his time is spent in one continuous round of controversies and misunderstandings by the balance of his species. In his infancy he is an angel; in his boyhood he is a devil; in his manhood he is everything from a lizard; in his duties he is a fool; if he raises a small check he is a thief; and then the law raises the devil with him; if he is a poor man, he is a poor manager and has no sense; if he is rich he is dishonest but considered smart; if he is in politics you can't place him, he is an undesirable citizen; if he goes to church he is a hypocrite; if he stays away from church, he is a sinner and damned; if he donates to foreign missions, he does it for show; if he doesn't he is stingy and a tight-wad. When he first comes into the world everybody wants to kiss him; before he goes out they all want to kick him; if he dies young there was a future before him; if he lives to a ripe old age he is simply in the way and is living simply to save funeral expenses. This life is a funny old highway, but all like to travel it just the same.
